## INDEPENDENCE DAY IN TEXAS

Austin, Texas, March 2.—Today was the seventy-second anniversary of the signing of the Texas Declaration of Independence, which was first read under a grove of spreading live oak trees at the village of Columbia, on the Brazos river, March 2, 1836. The anniversary was observed throughout the State today by the closing of banks and public offices, and by memorial exercises under the auspices of patriotic societies and in the public schools.

The usual elaborate programme of exercises was carried out at the University of Texas. The student body, headed by the college band and with a huge cannon in tow, marched from the state capital grounds to the university campus, where a full salute was fired. Exercises in the college auditorium followed, with addresses by Clarence Ousley of Fort Worth, Dr. L. M. Keasbey of the university and others.

## AN ECHO OF THE PATRICK CASE

New York, March 2.—An echo of the famous Patrick case was heard in the supreme court today, when the case of David L. Short and Morris Meyers, charged with perjury and forgery, was called for trial. Short is charged with having drawn up and attested a fraudulent will disposing of the property of Millionaire William Marsh Rice of Texas, for whose alleged murder Albert T. Patrick is now serving a life term in Sing Sing. Meyers was a law clerk in Patrick's office, who witnessed the signature purporting to be that of Rice on the will. The charges have been pending for seven years, and now for the first time there is a prospect that the cases will be finally disposed of.

## TEXAS ODD FELLOWS.

**They and Rebekahs Hold Annual Meetings.**

Fort Worth, March 2.—Mayor Harris, turned the keys of the city over to 2,000 Odd Fellows Monday attending the Texas grand lodge meeting of the order. Four hundred Rebekahs are also present. The opening exercises were held at the city hall. After an invocation by A. Supler, grand chaplain, responses to Mayor Harris' address of welcome were delivered by John A. Martin, Mrs. John A. McKee, H. Schwartz, grand master of the order, and Mrs. N. L. Kossey, president of the Rebekah assembly.

Reports submitted show the Odd Fellows to have experienced a most successful year since the last grand encampment. The membership has increased 5,000. The total enrollment in Texas is 31,000.

Sixty-four new Rebekah lodges have been added the past year, with a gain in membership of 4,000.

C. B. Lewis of Ennis succeeds Grand Master Schwartz as head of the Odd Fellows grand encampment. The order is in most excellent financial condition.

## PROHIBITION DEMOCRATS.

**State Campaign Committee Is to Meet at City of Dallas.**

Fort Worth, March 2.—It was given out here that the state campaign committee of Prohibition Democrats will be called to meet at Dallas this week. O. S. Latimore, a member of the advisory committee, is authority for the statement. At the Dallas meeting blank petitions will be drawn up and sent over the state for signatures. The petition is addressed to the Democratic state executive committee and will be signed only by Democrats. The required number of signatures, 35,000, is expected to be obtained in three weeks.

Awakened by the burning of his feet, E. S. Perkins discovered his bed on fire. He gave the alarm, but the flames gained such headway his house and two others were destroyed. The blaze originated from the overturning of a lamp. Loss is seven thousand; partially insured.

B. F. Lary, was fined \$1 in corporation court for colliding with Mesdames Irene Barnett and Hattie Beach while he was driving an automobile. Both ladies were severely injured. Mrs. Beach is in a serious condition.

## SHERIFF PUT NEXT.

**Fifty Men Go After Two Negroes, but They Were Spirited Away.**

Livingston, Tex., March 2.—Fifty men came here on a special train Sunday night from Knox Mills to secure the two negroes, Tom Miles and John Adair, charged with the murder of Gus Williams on Saturday night. Sheriff Chapman had, however, been put next, and was rushing his prisoners to Lufkin when the mob arrived.

## CURRY'S AWFUL CRIME.

**Kills Wife and Sister-in-Law, Firing Nine Loads into Former.**

Bristow, Okla., March 2.—In a family quarrel John Curry, living south of Bristow, shot and killed his wife and the wife of his brother, then fled. Officers and posse of citizens start in pursuit. Curry fired nine loads of buckshot into his wife's body.

## ON TRIAL FOR MURDER

Washington Court House, Ohio, March 2.—The case of Clarence Haines, charged with the murder of his pretty young wife last August, was called for trial here today. Prior to the crime the couple had not been living together for some time, Mrs. Haines and their little daughter having resided at Columbus. The day before the tragedy they moved back to this city. Haines called at the house to take their little daughter to see a circus parade. Becoming involved in a dispute with his wife, Haines drew a revolver and fired the fatal shot. He then made an unsuccessful attempt at suicide. It is understood that temporary insanity will be the grounds of defense.

## WORK OF WOMAN.

**Wife at Eleventh Hour Thinks Husband Innocent.**

Chicago, March 2.—Miss Frances Kingsworth, an artist's model, says a special to the Record-Herald, was led blindfolded into a room filled with cadavers and photographed for a picture to be entitled "Asleep With the Dead." She fainted when the bandage was removed and her eyes opened on the gruesome, grinning hulks of human forms that surrounded her. Her collapse was followed by hysteria, in which she screamed and struggled to free herself from what seemed her living tomb until she fell in an unconscious heap on the floor of the anatomical laboratory. For hours after her experience, she was in a precarious condition at the home of a physician, whether she was removed following the scene created as the result of the effort to obtain a photograph that would eclipse all imaginative horrors conceived by art. Miss Kingsworth had previously nerved herself with a waltz with an articulated skeleton, and the pose of the same bony remnant of a departed personality upon her lap and several pictures were taken.

## TOBACCO GROWERS WARNED.

**"Trouble Will Come If You Plant a Crop in 1908."**

Lexington, Ky., March 2.—W. B. Hawkins, the man who originated the tobacco growers' movement five years ago, and was the first president of the Burley Tobacco association, publishes in a card a warning to growers of their probable fate if they disobey the ultimatum of the Equity society on the crop of 1908. The substance of the warning in part follows:

"When your plant bed is scraped or your barn burned send to Governor Willson and he will let you have a battalion of soldiers and a gatling gun to protect your property, and maybe save you from a whipping. There is an old saying, 'I don't care to buy a lawsuit.' Do you care to buy trouble in this way by flying in the face of public opinion and also in the face of determined men, who believe you their worst enemy, and who will stop at nothing to right their supposed wrongs? The majority has said 'no crop in 1908.' What will you do, sow your beds and begin a year of torment, for it will be 365 days of hell for you, sleepless nights, alarm at every noise. What are the riders doing now? Are they only scraping plant beds, or are they after my barn, or, oh horrors, are they after my back with their damnable switches? 'Don't hug to yourself a delusion and say 'It won't come to me. Hasn't it come to the highest?'"

"'Flee from the wrath to come,' for if you plant tobacco you are sowing a whirlwind. Mutterings and mumblings are heard on all sides, and the outraged farmers will not stand persecution always, and I say to you that in my opinion trouble will come to you if you plant crap in 1908."

## WRITTEN IN TRANCE.

**Opinion Is Strong, Both as to the Facts and the Law.**

Chattanooga, Tenn., March 2.—A remarkable story has just come to light here of an opinion of the supreme court of Tennessee affirming the death sentence of Andrew Williams, a negro, in 1870. The opinion was written by the chief justice of the supreme court when he was in a sub-conscious condition, a trance, or in the midst of a somnambulist state, and the remarkable thing was that his opinion was thoroughly sound, both as to the law and the facts, and is one of the reported opinions, being printed, and an authority to this day on the technical law points involved. Justice Nicholson was the man who wrote the opinion, and Peter Turney, afterward governor of Tennessee, saw him arise from his bed, write the lengthy document and again retire. Next day Justice Nicholson had no recollection of the incident.

The elaborate opinion covered all the facts, cited numerous court decisions and ended with an affirmation of the court below. Letters from the late Governor Turney in the possession of one of Chattanooga's most prominent attorneys, corroborate the foregoing story.

## The Daily Eagle

Entered at the Postoffice in Bryan,  
Texas, as second class matter.

BY CARNES & WALLACE

PRYAN, TEXAS, MARCH 3, 1908.

### THE COTTON WAR.

The war of the cotton farmers for independence has not resulted in immediate victory and the Eagle warned the farmers when they began it that this would probably be so. What they want now is the nerve and determination to keep up the fight. If they will do this, ultimate victory is as certain as that there is a God who rules over the destinies of men.

The warning of the Eagle last fall was based on a knowledge of the powerful forces that were sure to be united against the farmers, chief of which is the financial and political power of the New York cotton exchange. A few facts are sufficient to demonstrate the truth of this assertion:

In 1906 the cotton bears hammered down the price till they got the bulk of the crop at 9 to 11 cents, and as soon as this was accomplished the price went up to fifteen cents. As a result the speculators pocketed millions which justly belonged to the farmers. The crop of 1907 was 2 1-2 million bales less than that of 1906, the price in May and June had been 7 1/2 pence (equal to 15 cents) in the leading European markets, and all the circumstances justified the farmers in demanding that they be paid the full value of their product. But as soon as their determination to do so was announced the enemy got busy. Fraudulent statistics were manufactured, bogus contracts were made, and venal newspapers were hired to publish broadcast what well informed people know to be false. By such means therefore they have always been able to control the price, but still the farmers stood firm. Resolved to win no matter at what cost, the bears conspired with other equally corrupt and selfish influences to bring on the panic. It was this that staggered the farmers.

Such is the situation in a nutshell. Now what are the farmers going to do? If they give up the fight they must content themselves to be dictated to for at least another generation. But, as the Eagle said in the beginning, they will win if they have the nerve and stamina to keep up the fight. If they are determined to do so, the time has come to assume the aggressive—to carry the war into the enemy's country. By a united and determined effort they can destroy the stronghold known as the New York cotton exchange. This would end the war, but until this is done there will never be peace.

The Executive Committee of the Reorganized Republicans has called a State Convention, to be held at Waco on May 26, to elect delegates to the National Convention to be held in Chicago. All of which presages that possibly there may be three separate delegations from Texas to the Republican National Convention, each clamoring for recognition from the National Executive committee. There'll be something doing when that committee meets.—Texas Republic.

### CONCERT AT NAVASOTA.

Prof. and Mrs. Lillebridge and T. W. C. Quartette Greeted With Enthusiastic Applause.

The Navasota Examiner gave a highly appreciative description of the concert by Prof. and Mrs. Lillebridge, and Misses Irma Harris, Laura Dunlap, Emily Pcale and Gussie Buchanan, at Navasota last Friday night. The excellent white-up is too long to reproduce entire, but the following extracts show how the music-lovers of our neighbor city enjoyed the artistic performance:

"Rarely has Navasota had such a musical treat as was offered to its music loving people on last evening under the auspices of the Baptist church. The concert was given in the city hall and a large and appreciative audience greeted the musicians.

"Wagner's Spinning Song was beautifully rendered by the ladies quartette. This was one of the strong numbers of the evening and the well known melody was reproduced with exquisite tone coloring, the first soprano being worthy of special comment, and the whole was greatly enhanced by the realistically rendered accompaniment of Mrs. Lillebridge."

Of Prof. Lillebridge as an artist the Examiner says: "The finish of his motifs was exquisitely done and the tone quality of his piano passages was something to be sought. We were a bit surprised that an artist of Mr. Lillebridge's capability should have adhered to his notes but we believe it must have been an old fondness for the piece intrinsically, for he seemed not to depend upon them much after all."

The quartette received enthusiastic applause and responded with several encores. Of one of these the Examiner says: "The duet sung as an encore by Mrs. Lillebridge and Miss Peale was a charming piece of work and enjoyed thoroughly."

The Examiner concludes its elegant critique as follows: The ladies Quartette is far above the average, having good quality of voice, truthfulness of tone and exactness of time, all of which make it very pleasing indeed and we congratulate Bryan upon having so many enjoyable musicians in her midst and wait with expectant pleasure for a return of them to us in the near future."

### REVIVAL AT METHODIST CHURCH

Dr. Packard Arrived Yesterday and Preached Last Night—Excellent Sermons by Pastor Turrentine.

Following two excellent mid-week sermons, on Wednesday and Thursday nights, Rev. J. B. Turrentine, the pastor, continued the revival services at the Methodist church Sunday morning and evening, and yesterday morning, Dr. Packard of Marshall, Texas arrived yesterday afternoon and preached last night.

Large congregations heard the pastor Sunday morning and evening. At the morning service he preached on "Mutual Responsibility" and at the night service on "The Undertow of Sin." At the morning service yesterday his theme was "Temptation." Students of the Allen Academy were present in a body. All these sermons were strongly evangelistic and made a profound impression.

Dr. Packard preached a powerful discourse last night on the text: "Whatsoever measure ye meet it shall be measured to you again." It was a heart-searching, soul stirring sermon—one that many of the congregation will remember as an event in their lives. By the power of his reasoning and pathos he moved his hearers by turns to laughter and tears. Surely if earnest, spiritual preaching can bring a revival Bryan will enjoy a glorious work of grace as a result of his ministrations.

The morning service is held for one hour, from 10:30 to 11 o'clock. All are most earnestly invited to attend these meetings.

### DEATH OF DR. JNO. W. JOHNSON

Venerable Physician Passed Away at his Home in Cleburne—Was Long Time Resident of Bryan.

Dr. Jno. W. Johnson died Sunday morning at his home in Cleburne, having been in feeble health for a long time. Dr. Johnson was 68 years old a native of Gallatin, Tenn., member of the Christian church, ex-Confederate soldier and successful practitioner of medicine for many years. He resided in Bryan about twenty years and moved with his family to Cleburne a few years ago. He was a brother of the late Dr. Jas. R. Johnson of this city. Three brothers survive him, two residing in California and one in Tennessee. He is also survived by his wife and five children. Dr. Johnson and family are well remembered by many Bryan friends and the news of his death is received with profound sorrow.

### MISS TOWNSEND TO BELTON.

Miss Berthel Townsend returned to Belton yesterday afternoon after spending some months in this city as the efficient city missionary of the First Baptist church. Her labor was highly successful and it was with much regret that her resignation was received. Her connection with the work ceased Sunday, and features of the day's service were the excellent talks made by Miss Townsend before the Sunday school, the Sunbeam Band and the Young People's Union. Miss Townsend will be married to Mr. T. R. Batte Jr. at Belton during the spring, and they will reside in Kansas City.

### "AROUND THE WORLD IN 500 DAYS."

According to the New York Herald of Feb. 20, this terse phrase tells the story of the purpose of Mr. Burt Castles, formerly of Bryan, and three other wealthy New Yorkers to enjoy an outing of unusual features of interest. They will go by rail to the Pacific coast and travel through Japan, China and India in a mammoth American touring car which Mr. Castles has had built for his own use. This car will probably be used in all countries visited where the conditions are favorable.

### TEXAS INDEPENDENCE DAY.

Mutual Improvement Club and Allen Academy United in Notable Celebration at Carnegie Hall Yesterday Afternoon.

The auditorium of the Carnegie Library building was full yesterday afternoon at the Independence Day celebration under the auspices of the Mutual Improvement Club and Allen Academy. The students and the faculties of the Academy and of Texas' Woman's College were present en masse; many from Villa Maria and some of the cadets from A. and M. College.

The rostrum was decorated with United States and Texas flags and with pennants of the institutions represented. Mrs. Tyler Haswell directed the program.

The first number was a patriotic song by a quartette of Academy boys. It was well rendered and received generous applause.

Mr. James Johnson, an Academy student, delivered an orate eulogy on the life and character of Sam Houston. In this declamation the matter was appropriate and admirably treated.

Mrs. J. Webb Howell delighted the audience with a solo which afforded a wide range for her rich, melodious voice.

Mr. Wynne Lay, another student, read an essay on "Why I Am Proud of Texas." It was well delivered and well received, brimming with patriotic sentiment splendidly portrayed.

Mrs. A. J. Buchanan, president of the M. I. C., read a most elegant and forcible paper in which was delineated with great power the causes of the proud pre-eminence of Texas among the States. This number alone would have been sufficient, had there been nothing else, to make this a memorable occasion.

Prof. R. O. Allen read a poem—"Empire Builders," written for the occasion by J. M. Carnes.

Mr. A. J. Buchanan delivered an interesting address on "The Passing of the Red Man and the Buffalo." The closing number was the singing of "America" by the audience.

Mr. Carnes, author of the poem read by Prof. Allen, was called on the stage and in response to the courtesy recited a little poem on "San Jacinto Day," written by him several years ago.

### HELD GERMAN EVANGELICAL SERVICE.

Rev. J. J. Kasiske of Kurten conducted services of the German Evangelical church at St. Andrew's Episcopal church in this city Sunday afternoon, by courtesy of the vestryman of this church, which was most highly appreciated by the minister and congregation. Rev. Kasiske preached an excellent sermon. Another service will be held in this city later. The probabilities are that steps will be taken at no distant date to organize a church of this faith in Bryan.

### TOO REALISTIC.

### Model Has Hysterics Upon Beholding Surroundings.

Chicago, March 2.—On the eve of the trial of Seton W. Sangster, a commercial traveler, charged with having attempted to kill his wife and young daughter by sending them poisoned candy, the accusing wife, Lina E. Sangster, on whose testimony Sangster was indicted, declares she believes it was a woman's hand that filled the candy with the deadly poison (arsenic), and all but worked the death of the mother and daughter. She believes her husband to be innocent. Assistant State's Attorney Day said he had expected to have Sangster convicted, but at the eleventh hour, his wife, who pursued him until the grand jury indicted him, declared her belief in his innocence.

The candy was left for the daughter at a railway station in her father's suit case and a note from him told her to get the suit case. The note, however, said nothing about the candy. In 1906 Mrs. Sangster brought suit against a wealthy widow of Jacksonville, Ill., for alleged alienation of the affections of her husband. She lost the suit in the lower court but on appeal to the supreme court the latter remanded it for retrial.

### ATTEMPT TO EXTEND.

Anarchist Leaders Apparently Endeavoring to Operate at Kansas City.

Kansas City, March 2.—Anarchist leaders of Chicago are apparently attempting to extend the influence in this city. During the past few weeks members of the Croftian settlement in Kansas City, Kan., received by mail copies of the Croftian, an anarchistic paper, published at Chicago. Many of those who received copies of the paper, formerly worked in Chicago packing houses and were transferred to Kansas City. They all declared they did not order the papers. The publication contains articles attacking the Catholic church and all forms of government. Rev. M. Dovorin Kremptie, pastor of the Church of St. John the Baptist, which has Croftian members, said: "There has been some attempts of anarchists to work in my parish. They have met with little success, however, and caused me no trouble."

# THE OPENING OF SPRING

Means a pleasing change from the dark, sombre colors of winter to the bright and beautiful patterns of the Spring season.

MEN'S CLOTHING this season is more attractive than it has been for years, the patterns are especially handsome, including many new and beautiful colorings shown for the first time in men's clothes. The models show many new ideas and improvements. Taking it as a whole, the collection of Men's and Young Men's Suits we are showing from

Hart, Schaffner & Marx  
and Alfred Benjamin Co.

Surpasses any previous exhibit of this store. The new Tans, the new Browns and the new Elephant shades, which is the very latest color in Men's Clothing, are here in greatest profusion. You will really have to see them to understand what handsome garments they are. When you know that each one bears the label of one of the above famous makers, and see how moderately priced they are, we are sure you can not resist the temptation to slip into one of these suits.

## ANARCHIST AFTER SHIPPY

Individual Attacks Official and  
Son at Residence.

### ASSAILANT SHOT TO DEATH

Party Goes Into Room Where Head of  
Chicago Police Department and His  
Boy Were Alone, Being Both Foiled  
and Losing His Life.

Chicago, March 2.—An unsuccessful  
attempt was made to assassinate Chief  
of Police Shippy at his residence Mon-  
day morning. A man entered the Ship-  
py home, going into a room where the  
chief and Harry, his son, were alone.  
The man handed the chief a letter,  
which the official opened and began  
to read. Almost immediately the vis-  
itor drew a revolver and fired at Harry  
Shippy. The boy fell, badly wounded,  
to the floor and his father grappled  
with the assailant. James Foley, a ser-  
vant, attracted by the shooting, rushed  
to his employer's aid. As the ser-  
vant entered the room the anarchist  
broke from the chief's grasp, aimed  
at and shot Foley twice. Again the  
chief closed with the man, and the  
latter turned on him with a knife.  
Shippy attempted to grasp the weapon  
and received a deep cut on a hand.  
The police official then succeeded in  
reaching his own revolver, and poured  
shot after shot into the would-be assas-  
sin's body. Every bullet took effect,  
and the anarchist fell to the floor dead.  
The attack on the chief is believed  
to have been inspired by the recent ac-  
tivity of the Chicago police, following  
the killing of the Rev. Leo Heinrichs,  
the Roman Catholic priest, who was  
shot by an anarchist at Denver.

News of the shooting in Chief Ship-  
py's home reached the police depart-  
ment when a request was sent to near-  
by station for an ambulance. Every  
available detective in the city was  
placed upon the case.

### THOUSANDS AFFECTED.

Suspension Is Due to Failure of Both  
Sides to Agree to Terms.

Boston, March 2.—More than 5000  
granite cutters, quarrymen and others  
employed in the granite industry and  
surrounding centers of Barre, Vt.,  
Montpelier, Vt. and Wesley, R. I., are  
affected by the suspension of work,  
due to the failure by the unions and  
manufacturers to agree to the provi-  
sions of the new wage scale and the  
working agreement to replace that  
which governed the industry up to this  
time. Although Vermont and Rhode  
Island unions voted to suspend opera-  
tions until the demands were met by  
the manufacturers, cutters at Quincy  
reported for work, following a vote to  
submit the matters in dispute to arbi-  
tration.

### BISHOP DUNCAN DIES.

Noted Southern Methodist Divine  
Crosses the River of Death.

Spartanburg, S. C., March 2.—Bishop  
W. W. Duncan of the Methodist Epis-  
copal church, South, after an illness  
of some months, departed this life at  
an early hour Monday morning.

Bishop Duncan, who was one of the  
most eminent divines in the south,  
was born at Randolph-Macon college  
in Virginia, Dec. 27, 1839. He suc-  
ceeded his brother as president of the col-  
lege. While holding that position he  
was elected bishop.

### KING REX ARRIVES.

Monarch of the Carnival Receives a  
Most Royal Welcome.

New Orleans, March 2.—King Rex  
received a grand welcome upon his  
arrival. Whistles were blown, bells  
rang and other manifestations of joy  
given by the thousands of citizens and  
visitors.

The king's crown is of gold set with  
diamonds and emeralds and lined with  
red velvet. His sceptre is gold and  
ivory and studded with handsome  
gems of many varieties. A heavy  
rope of pearls and diamonds set with  
amethysts is worn across the mon-  
arch's breast. The queen's jewels are  
diamonds and emeralds and consist of  
a girle, necklace, bracelets and  
brooches. There is a tiara of unusual  
beauty which is set with these gems.  
His sceptre is of gold and pearl, studded  
with many handsome stones.

Following the naval pageant and  
parade attendant upon the reception  
of Rex, the parade and ball of Proteus  
will be held Monday night.

## PAIN

Pain in the head—pain anywhere, has its cause.  
Pain is congestion, pain is blood pressure—nothing  
else usually. At least, so says Dr. Shoop, and to  
prove it he has created a little pink tablet. That  
tablet—called Dr. Shoop's Headache Tablet—  
coaxes blood pressure away from pain centers.  
Its effect is charming, pleasantly delightful. Gently  
though safely, it surely equalizes the blood cir-  
culation.

If you have a headache, it's blood pressure.  
If it's painful periods with women, same cause.  
If you are sleepless, restless, nervous, it's blood  
congestion—blood pressure. That surely is a  
certainty, for Dr. Shoop's Headache Tablets stop it  
in 20 minutes, and the tablets simply distribute  
the unnatural blood pressure.  
Bruise your finger, and doesn't it get red, and  
swell, and pain you? Of course it does. It's con-  
gestion, blood pressure. You'll find it where pain  
is—always. It's simply Common Sense.  
We sell at 25 cents, and cheerfully recommend

## Indigestion

Stomach trouble is but a symptom of, and not  
itself a true disease. We think of Dyspepsia,  
Heartburn, and Indigestion as real diseases, yet  
they are symptoms only of a certain specific  
Nerve sickness—nothing else.  
It was this fact that first correctly led Dr. Shoop  
in the creation of that now very popular Stomach  
Remedy—Dr. Shoop's Restorative. Going direct  
to the stomach nerves, alone brought that success  
and favor to Dr. Shoop and his Restorative. With-  
out that original and highly vital principle, no  
such lasting accomplishments were ever to be had.  
For stomach distress, bloating, biliousness, bad  
breath and sallow complexion, try Dr. Shoop's  
Restorative—Tablets or Liquid—and see for your-  
self what it can and will do. We sell and cheer-  
fully recommend
